

SW-F2.1 500

12 watts 3-piece speaker system

Genius adds the SW-F2.1 500 3-piece speaker system to its F series of stereo speakers for the desktop PC. No matter listening music or playing game, SW-F2.1 500 is great for your budget.

The stylish flat design of satellites is black with a silver front cover and looks great next to your PC, especially standing next to a slim monitor. The wood subwoofer with a 4" driver built-in delivers better bass enhancement. And for easy convenience, all the controls are on the satellite. You can adjust the volume; use the earphone jack for private listening and MP3 or other audio devices thru the line in jack.
